ROOMS CONTROLLER

If you could travel anywhere in the world, where would you go and what would you want to do there?

I would go to Spain and explore the country and food!

What's a food or restaurant you could never get tired of, and what's your go-to order?

My favorite restaurant is Cocina 35. I love the chilaquiles. I'm obsessed!

What's a movie, show, or song you can always count on to put you in a good mood?

My favorite song is EoO from Bad Bunny.

When you were little, what did you dream of becoming, and what made you want to do it?

I wanted to be a baker and bake pastries.

What's a hidden talent or fun fact about you that most people at work probably don't know?

I can play piano and sing.

If you won the lottery tomorrow, what would you do first?

I would probably give money to an animal shelter.

Heartfelt Shout Outs

"It was my birthday and they brought me a dessert and some sparkling water. It was cool that they made my birthday special."

"Clean room ! Amazing harbor views ! "

I am staying at the Sheraton San Diego Resort later this week with my children. I have multiple consecutive reservations and wanted to combine them and confirm that we stay in the same rooms and could have adjoining rooms. I called and spoke with Alfonso, who was happy to help and very efficient in doing so."

"The hotel was very nice with large rooms, a great gym, lots of pools. Definitely a family resort. "
