FUN FACT

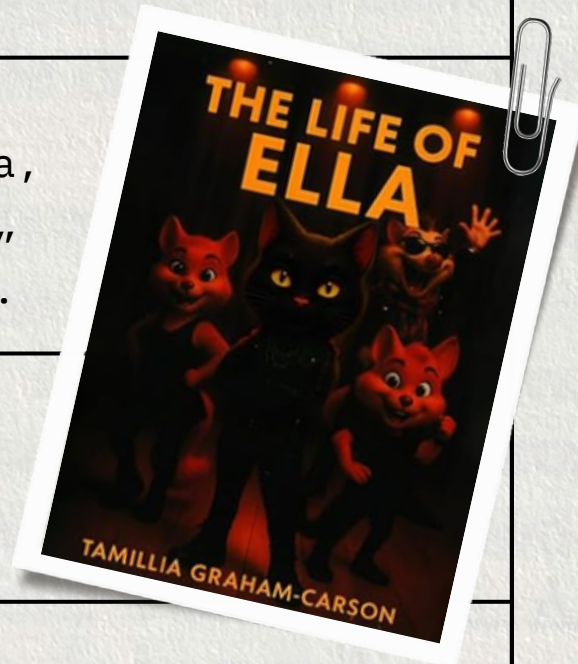

I'm from Jamaica

HOW LONG HAVE YOU BEEN COOKING?

20 years. I started cooking when I was 9 years old and started working in kitchens when I was 14.

DO YOU HAVE ANY PETS?

I have a Bombay cat named Ella, and I wrote a book about her. It's called "The Life of Ella" and you can find it on Amazon.

DO YOU HAVE A BIG FAMILY?

I have a small family in Jamaica. I have a daughter that will be 18 this year. I am also a twin.

WHAT ARE YOU PASSIONATE ABOUT?

Cooking is my passion. I like to work in a clean area, and I like to be neat. I am also an electrical engineer, and I used to be a housekeeping manager. I am also an entrepreneur and enjoy writing books.

IF YOU WON THE LOTTERY TOMORROW, WHAT WOULD YOU DO?

A hurricane in Jamaica damaged my parent's house. So, first, I would fix their house. I would also make sure they have good medical insurance. Then I would like to open my own business so that I can share Caribbean cuisine with people. Last, I would donate to help kids with cancer get treatment.

Heartfelt Shout Outs

Love this beautiful hotel! Great views from the room (and all over property, indoors and out). The staff is super friendly - everyone saying hello, checking in on us, etc. You could tell they really cared about our experience...

Gr8 Experience!
Excellent customer service, easy booking, very nice room and amenities, with our balcony on the water.

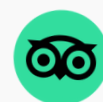

Everything looked new and was very clean. We enjoyed everything we used to great view of the marina and pool. The bed and suite was well appointed and breakfast with the omelette bar sooo good.

Great hotel, conveniently close to the airport while very accessible to all you want to experience in downtown San Diego. Great pool and activities, E-bikes, kayaking, jet skis, adjacent to the hotel.
